

# Couchiching Heights Week at a Glance

## January 8th - 12th

### Weekly Highlight:

#### Welcome Back and Happy New Year!

We hope that everyone had a safe and happy holiday. We are looking forward to a great new year with all of our Couch Cats! As students settle back into school routines, we are asking families to please remind students about safe play on the school yard during the snowy months. While we encourage students to enjoy playing in the snow they should not be throwing it. This can pose serious safety risks. We also will be encouraging students to seek the support of school staff (in yellow vests) if they need help solving a problem at recess. We also request that students wishing to use the snow hills during recess come appropriate dressed to do so (e.g., snow pants, boots, hat, mittens, etc.). If students are properly dressed for the weather, they should not need to call home due to clothes getting wet at recess. Please also remind your children that they should not be using the snow hills near the parking lot. This is a busy area and a dangerous one for sliding.

The **Green Team** wishes everyone a very green 2018. Just a reminder that CHPS introduced boomerang lunches. A boomerang lunch prompts anything that does not go into our recycling bins or compost bins returns home with the student.
