

Couchiching Heights Week at a Glance

June 19 – June 23

Weekly Highlight:

Both the Intermediate Girls and Boys baseball teams had their annual Orillia 3-pitch tournament this week. The girls played 6 games and held a 4-2 record highlighted by some tremendous hitting and fielding throughout the day and finished as the 5th best team in Orillia. The boys, played 7 games on their day, and after losing the first, roared back with 3 straight wins to move to the championship pool. The boys finished 4-4 on the day and lost in championship round by only a few runs in each game. Most importantly our students demonstrated class and true sportsmanship and had a blast!

- The Neema Children's Choir from Uganda will be performing for the Grade 4-8 students in our Gym on Thursday during our middle block. We are asking for a minimum donation of \$1 per student who will be attending. There will also be African Jewellery for sale ranging in price from \$2-\$30 if students wish to bring money.

School Council Updates:

As part of this years Parents Reaching Out (PRO) grant, School Council hosted a wellness evening that

featured keynote speaker and mental health lead for the SCDSB, Danielle Mink. As a follow up to this evening, school council has purchased several parent resources that are intended to guide parents in helping to foster resilience in our youth. You will also find teacher resources that are currently being used at CHPS with the students (e.g., Mind Up Curriculum, Zones of Regulation, etc.). In the weeks coming, CHPS will catalogue these resources that will be stored in a parent section in the school library. Please feel free next year to visit, browse and sign out any of these fantastic resources.

To view past School Council agenda's and minutes, please visit our school website at <http://cou.scdsb.on.ca/parents/school-council> .
